This month is **ROTARY AWARENESS MONTH**

Hi everyone,

I have to say that I really enjoyed Stephanie's presentation last week.

I hope everyone got some tips to help with your health and wellbeing! Perhaps we will have Stephanie back again to talk more about the "Draw the Line" program, I can remember the "Life Be In It" program and signing along with "Norm" years ago thinking, how easy is it to exercise??? Well of course, 30 years on – it is not as easy as it was back then!!! So, a timely reminder that we all need to look after ourselves! Life is after all very short!

March will be upon us this weekend, and in the Rotary Calendar March is Literacy Month. What is Literacy Month?

Rotary Literacy Month highlights literacy and education issues around the world. Celebrated in March each year, Rotary Literacy Month is an excellent opportunity for Rotary clubs and districts to raise awareness about literacy. Literacy is the foundation for virtually all forms of education and a crucial component of effective social and economic participation, human development and poverty reduction.

This week's guests are Bronwyn Croghan from the State School Teachers Union WA Women's Equity & Equal Opportunity Office and David Kelly from the State School Teachers Union WA so I am sure we are in for an interesting presentation once again this week.

"Learn as if you were to live forever; live as if you were to die tomorrow"

Yours in Rotary  
President Anne

## **National Immunization Day in Nigeria.**

My fellow Rotarians, I am in the process of planning a NID in Nigeria and invite Rotarians whom wish to encounter a hands on experience of a life time, immunizing the children of Nigeria against Polio.

This is our promise to the children of the world, a world with out Polio.

I'm in touch with a PDG from District 9110 and the Rotarians from the Rotary Club of Vitoria Island East, whom will assist our team in planning and implementing the NID.

I have been assured that at all times there will be no safety issues, as our team will not be exposed to any volatile areas. Remembering that the Nigerians know of Rotary and of the great work we do eradicating Polio, and they all want the same as we do, to see their children are protected against the scourge of Polio.

Nigeria accounts for 79% of the global wild Poliovirus type 1 and 10% of the wild Poliovirus type 3 cases. Nigeria accounts for 90% of all Polio cases in Africa.

Polio is a **PAIN** to the children of the world and it is in **Pakistan, Afghanistan, India, Nigeria.**

The dates for the NID are 21<sup>st</sup> to the 24<sup>th</sup> of March 2009, the total time we will be away will be decided by the team. I would expect it to be 10 days in Nigeria.

Home stay could be possible but if not, they will negotiate good rates for us in suitable hotels. Internal transport will be provided by the Rotarians.

I have received cost's on flights with Emirates, from Perth / Dubai to Lagos and return at \$4,100 each person.

Glenys and I have lead several teams away, and have found that 20 Rotarians is a better number to travel with, therefore we are after 9 couples to travel with us.

My Rotary friends if you wish to be involved in this very satisfying and fulfilling experience of a lifetime, and would like more information please contact PDG Ron Geary on 0429 001 692 or e-mail [rongeary@people.net.au](mailto:rongeary@people.net.au)

## 2009-2010 INBOUND EXCHANGE STUDENT

The club will be looking to host our next Inbound Exchange Student in July of this year. Prior to that date we need to have certain things in place. The main one being:

**Host Families** Are you interested? This will entail you completing a Host Family Application (This applies whether or not you have hosted a Youth Exchange student in the past or not).

We will require 4 host families who will host the student for a 12 week period.

**IMPORTANT:** You, your partner and any members of your family who are over 18 who live with you will need to have a Working with Children Card.

If you would be able to host the student for a weekend or a few days if the host family is going away etc then please let us know as well.

If you would like a Host Family Application please contact Esther.

## ROTARY OBJECTIVES

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster.....

- First: The development of acquaintance as an opportunity for service.
- Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society.
- Third: The application of the ideal of Service in each Rotarians personal, business and community life;
- Fourth: The advancement of International understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

## 4 WAY TEST

**1. Is it the TRUTH?**

**2. Is it FAIR to all concerned?**

**3. Will it build GOODWILL and BETTER FRIENDSHIPS?**

**4. Will it be BENEFICIAL to all?**
